

24 x 24 Event Sponsorship Opportunities

Help us support Art Therapy Studio enhance our community's quality of life through therapeutic art

Each year, our team works hard to raise money and awareness for the incredibly important art therapy programs we provide throughout Northeast Ohio. This November, we're excited to host a new virtual fundraiser **24 x 24**, a 24-hour online "art-a-thon" and auction to support our year-round programming. **24 x 24** will take place from 5:00 PM Friday, November 13th through 5:00 PM Saturday, November 14th as 24 artists will appear in hourlong shifts for 24 hours on ATS' Facebook and YouTube channels creating new works of art. These 24 new artworks will be auctioned along with 24 pieces from our collection of existing artworks and all proceeds will go towards ATS' art therapy services in our community.

ATS programs strive to make art accessible, meaningful, and useful to all individuals, including those unable to participate in traditional community arts programs. Our programs include customized contracted services at area agencies, hospital-based programs, employee wellness programs, professional education workshops, and our Community Art Therapy Programs. All our programs have been developed around the philosophy that art-making is central to healing and wellness and use the creative process of making art to improve and enhance well-being, a philosophy rooted in our origins.

Given limitations set for social distance, it's not possible to gather in person this year to support our cause, but we have a full slate of activities planned to generate excitement and encourage participation from artists, patrons, community partners, and others online. This is the first time we're trying a fully virtual fundraiser and we need your help to make it a success. Together we can ensure that Art Therapy Studio continues to provide the healing, wellness, and self-care that carries into everyday life.

I hope you will consider sponsoring the **24 x 24** event. On the next page, you will find all the benefits you will receive at each sponsorship level. If you would like to support our event or discuss our plans, please reach out to me.
