## Community Art Therapy Programs

## 2021 Fall Schedule

## Discover Wellness Through Art Therapy

Since 1967, Art Therapy Studio has offered innovative art therapy programs to thousands throughout the Greater Cleveland community. Our Community Art Therapy Programs are facilitated by credentialed art therapists and designed to provide a therapeutic approach to artmaking. Our programs are open to everyone including those with physical, emotional, or cognitive needs, as well as those curious about experiencing the benefits of visual self-expression.

No art skills are needed, and supplies are included with registration. Financial assistance is also available based on income. If you would like more information, or would like to inquire about individual sessions, please contact us at 216-791-9303.

### Featured Cover Artist

*The Grand Prix*  
Painted by Patrick

In tempera paints, Patrick shares with us this bold yellow Ferrari as it speeds past the viewer on what could be its final lap in an intense race. Patrick accents the Ferrari with a perfectly clear autumn blue sky over lush green grass framed by the black top of the racetrack. The energy of his painting places us as a direct observer of this race. We can imagine shielding our eyes from the blinding white light of sun glare off the windshield glass. The artist leaves us with tension as we contemplate “who will win?”

# 2021 Fall Schedule
