Community Art Therapy Programs 2020 Spring Schedule

Discover Wellness Through Art Therapy

Since 1967, Art Therapy Studio has offered innovative art therapy programs to thousands throughout the Greater Cleveland community. Our Community Art Therapy Programs are facilitated by credentialed art therapists and designed to provide a therapeutic approach to art-making.

Located in a safe, intimate, and welcoming environment throughout four geographically accessible areas, our programs are open to everyone including those with physical, emotional, or cognitive needs, and those curious about experiencing the benefits of visual self-expression.

All necessary supplies are provided with every program and income-based financial assistance is available.

Featured Cover Artist

Kinsale, Ireland

Painted by Kathryn Muldoon

Kathryn Muldoon captures the whimsical charm of Kinsale, the colorful fishing town located in County Cork, Ireland. Once protected by nearby 17th century forts, Kinsale is now known for its scenic landscape, excellent food, and robust art scene. In Muldoon's depiction of Kinsale she captures the vibrant facades of the coastal houses dramatically contrasted with the rolling green hills of the countryside. The deep blue of the sea in the foreground brings to mind the smell and taste of sea spray in this quintessential Irish scene.
