Community Art Therapy Programs 2021 Summer Schedule

Discover Wellness Through Art Therapy

Since 1967, Art Therapy Studio has offered innovative art therapy programs to thousands throughout the Greater Cleveland community. Our Community Art Therapy Programs are facilitated by credentialed art therapists and designed to provide a therapeutic approach to artmaking. Our programs are open to everyone including those with physical, emotional, or cognitive needs, as well as those curious about experiencing the benefits of visual self-expression.

No art skills are needed, and supplies are included with registration. Financial assistance is also available based on income. If you would like more information, or would like to inquire about Individual Sessions, please contact us at 216-791-9303.

Featured Cover Artist

La Primavera

Brianna Love is an art therapist at Art Therapy Studio. She is a mixed media artist and shares her versatile talents with our community through our art therapy programs. Brianna created this expressive ceramic mask during the height of the pandemic. The somber mask, eyes closed and lips pursed, is interrupted by a colorful bouquet of flowers that adorns the brow. The piece reminds us that, just like winter is followed by spring, hardships will lead to rejuvenation and regrowth. In times like this, it is important to slow down and take the time to “smell the flowers.”

2021 Summer Schedule
