Last year, Art Therapy Studio mourned the loss of an important member of our Studio family, Chris Treu. In her honor, we hosted our inaugural fundraiser. This year, we are proud to announce the Second Annual heART of Gold event, as we continue to celebrate the legacy of our dear friend. Chris was renowned for her exceptional party-hosting abilities, and in an effort to honor this talent, we will once again be presenting the heART of Gold: an Evening to Benefit The Christine M. Treu Scholarship Fund. Join us at Michael Angelo's Winery on Broadview Road in Richfield for an evening of heavy hors d'oeuvres, wine, and raffle baskets as we reminisce and honor the life and legacy of Chris Treu.

Please consider being a supporter of heART of Gold event. All proceeds from heART of Gold will contribute to the Christine M. Treu Scholarship Fund, established last year, to support low-income client-artists with the costs of transformative art therapy sessions.

Parking is free and recommended dress is business casual, but you are more than welcome to dress however you like.
